INSURANCE AND SELF-PAY FEES

Insurance Payments

You are responsible for any costs associated with the care you receive. If you have insurance, you are responsible for contacting your insurance company and verifying your benefits. We will verify your insurance eligibility for all scheduled appointments prior to your arrival, but your insurance company should advise you of any potential out-of-pocket expenses including any co-pays, deductibles, or balances if your provider is not contracted (out-of-network) with your particular insurance's behavioral health plan.

If you do not have medical insurance or you would prefer not to bill your medical insurance, please see our self-pay fees below.

If you have any billing questions or need additional information, please contact our billing office at 617-332-2047 ext. 226
